Computers4Africa computer donation event

Mon 29/04/13 10:00 AM - Tue 30/04/13 4:00 PM

The Computers4Africa event will provide the last chance for residents in the Southampton area to donate their old, yet working, IT equipment to send to projects in Africa.

There will also be information available about technology and education in Africa.

Computers4Africa transforms communities across Africa, by accepting working redundant PC's and IT equipment from individuals, corporates and organisations in the UK. Once securely data wiped, the computers are then shipped out to schools, colleges, libraries, clinics and specific projects in Africa.

Computers 4 Africa Appeal event

Wed 27/03/13 9:00 AM - Thu 28/03/13 5:00 PM

Computers 4 Africa transforms communities across Africa, by accepting working redundant PC's and IT equipment from individuals, corporates and organisations in the U.K.

Once securely data wiped, the computers are then shipped out to schools, colleges, libraries, clinics and specific projects in Africa.

The event provides an opportunity for local residents to bring their old, yet working IT equipment to send it to a project in Africa, and also find out more info about technology and education in Africa.

Computers for Africa Donation Appeal - Southampton

Tue 16/10/12 9:00 AM - 5:00 PM

Most of us don't know what to do with our old IT when we are finished with it. Re-use, reduce, recycle is the green mantra but how do schools, businesses, or individuals manage this?

Computers 4 Africa is a simple solution to the WEEE problem. We collect unwanted PC's, refurbish and datavipe them before sending them out to schools, colleges and projects across Africa.

We accept IT equipment less than 5 years old and in working order.

Bring your unwanted equipment to Unit 4, Former Powerhouse, Franconia Drive, Nursling, Southampton, SO16 0YW on 16 or 17 October 2012.
