## Computers 4 Africa Appeal Aberdeen

From 09 Apr 2013 To 10 Apr 2013

Computers 4 Africa is a Microsoft Registered Refurbisher that collects old, yet working IT equipment to send it to schools and community projects in Africa.

Computers 4 Africa transforms communities across Africa, by accepting working redundant PC's and IT equipment from individuals, corporates and organisations in the UK; once securely data wiped, the computers are then shipped out to schools, colleges, libraries, clinics and specific projects in Africa.

**Opening Days and Times:**
