Active Norfolk Sports Awards 2012 - Wednesday 7 November

The winners of Active Norfolk's sixth annual Norfolk Sports Awards, celebrating the cream of local sporting achievement, will be announced on Wednesday 7 November.

A special awards evening will be held at The Forum, from 6.45pm to 9.30pm, with a number of special guests due to attend (subject to confirmation), including Paralympic cyclist Jody Cundy and Paralympic swimmer Jessica Jane Applegate.

Tickets for the evening cost £15, which includes a wine and canapés reception, and are available in a limited number from www.activenorfolk.org/sportsawards.

If you'd like to have your say about the awards, you can nominate your sporting heroes online until Thursday 25 October.

Come along at 10.30am to knit for charity, with knitted items being distributed to local, national and international organisations for those in need.

All age groups are welcome and you do not have to be an experienced knitter to join in - help and guidance will be given to those new to knitting.
